

Pembina Valley Daze Held at Evansburg

Saturday, July 4th dawned clear and bright for Pembina River Daze at Evansburg. Despite threatening skies at mid-morning the big parade went off as scheduled followed by a busy agenda of activities.

A weekend highlight was the opening at noon Saturday of Pembina - Lobstick Historical Society Museum by M.L.A. Ralph Jespersen.

The museum opening was followed by a round of events that included a gymkhana, horseshoe tournament, steak barbeque, youth talent show, dances and a golf tournament Sunday.

R.C.M.P. Assumes Policing

Responsibility for the policing of the Town of Drayton Valley was assumed by the Royal Canadian Mounted Police on Wednesday, July 1st.

Seven members of the force are now stationed in the town with Corporal Bob McDowell the N.C.O. in charge.

Constables on Detachment duties are Les Badham and Ole Rannaoja. Constable Gordon Constable is in charge of the Town Detail which includes Constables Dennis Grotkowski, Jack Ross and John Oman. Mrs. Lucille Eberle was employed recently as police secretary.

OFF THE TEE

Howard Ganske and his Gobbers held a steady pace to lead the Commercial Golf League through the first round. The second portion of the double round robin series is now part way through, the winner will take home the M & H Trophy donated by M.J. McMahon Distributors Limited.

The completion of the Double round robin series will set the top five teams in division A and the bottom five teams in division B. Each division will play a round robin series. The winners of each division will play off for the League Playoff Championship, and the Astro Trophy donated by Fountain Tire Ltd.

Team captains are reminded that if they are short a player for the Tuesday night draws that summer rules allow you to draw from another team in the league.

Holiday Schedule

In order to facilitate staff vacations, The Western Review will miss one issue and will not publish a paper on Wednesday, July 22nd. The office will be closed from Saturday, July 18th to Monday, July 27th.

Hailstorm Cuts Wide Swath of Damage

The first major hailstorm of the season hit central Alberta on the evening of Saturday, June 27th. The first signs of the storm were picked up by the Alberta Hail Studies weather radar shortly after 3 p.m., as a line of echoes appeared between Edson and Nordegg.

By 6 p.m. a large storm had developed and moving east from the Alder Flats area passed just north of Ponoka at 9:30 p.m. Several mobile units were dispatched from Penhold and intercepted the storm between Rimbey and Winfield where many rain and a few hail samples were collected. Other vehicles sampled the storm west of Ponoka.

MR. AND MRS. GEORGE MARTIN

Couple Celebrate 50th Anniversary

On July 4th, 1920, a young cowboy and his pretty bride exchanged wedding vows in the chapel on the Good Fish Lake Indian Reserve. Saturday, the bride and groom of 50 years, Mr. and Mrs. George Martin of Berrymoor, were honored by family and community on their Golden Anniversary.

Mr. Martin, who was born in Newcastle, Ontario in 1889, came west shortly after the turn of the century. He returned east to work for the Toronto street railway for five or six years before answering the call of new land. He came west to stay in 1911 and began working on a ranch at Ashmont.

Mrs. Martin (the former Olga Mae Hendrickson), was born in Loop City, Nebraska in 1901. She came to Canada with her parents at 17 years of age and the family settled at Boyne Lake.

The couple travelled by democrat to the only church in the

area on the Good Fish Reserve for their wedding. They spent several years in the Ashmont area, returned east briefly and farmed in Saskatchewan until 1934 when they returned to take up a homestead at Berrymoor.

At a gathering in the Lindale Hall Saturday evening, Mr. and Mrs. Martin both recalled fondly the memories of building a farm in the tough thirties. Game animals and a garden kept the family going on many occasions.

The couple raised eight children and have 29 grandchildren and five great grandchildren. One son, Earl, passed away in 1953.

Other children, all present for the occasion, are Donald of Berrymoor; Mrs. Anna Mae Shaw, Duncan, B.C.; Thomas, Berrymoor; Mrs. Muriel Campbell, Berrymoor; James, Berrymoor; Gilbert, Berrymoor; and Mrs. Nelda Jacobsen, Edmonton.

Other relatives present from a distance were Mr. Martin's sister, Mrs. Ella Byers of Toronto; Mrs. Martin's sisters, Mrs. Eda MacDonald of Williams Lake, B.C. and Mrs. Alice Hartley of Boise, Idaho; and a niece and nephew, Mr. and Mrs. Warner Schmidt of Puyallup, Washington.

Many friends of the community and area called during the open house Saturday evening to extend best wishes.

Name Candidate

Close to four hundred persons packed the Millet Community Hall Wednesday evening, June 24th, when the Wetaskiwin-Leduc constituency Progressive Conservatives named Manny Pycrz of Leduc to carry the party's colors in the next provincial general election.

Mr. Pycrz won the nomination by a slender margin of ten votes over Wetaskiwin County Reeve Dallas Schmidt.

Mayor Reviews Airstrip Proposal

To clarify some questions that have been raised with regard to our proposed airstrip development, I wish to make the following points.

1. Some Reasons for Developing a Municipal Airstrip:
 - (a) Most progressive towns of our size have municipal airstrip facilities to serve the public community.
 - (b) Increasing amount of air travel requires good air service facilities in our community if we are to keep pace with competing services offered by other communities.
 - (c) Would attract aircraft sales, maintenance and repair facilities to Drayton Valley. Local aircraft owners now have to travel to Edmonton, Calgary or Lethbridge for Certificate of Airworthiness checks required at regular intervals by the Department of Transport.
 - (d) Any public use of the present air strip is at the sufferance of present private owners of the strip. No commercial air services are legally sanctioned by the Department of Transport from the present airstrip. This prevents any significant growth in air services in the area in the future.
2. Status of the Present Airstrip
 - (a) Is privately owned by a consortium of 4 or 5 oil companies. As a privately owned strip, it does not qualify for any Department of Transport grants for improvement or further development. The present owners will not consider the sale of the facility to the town due to underlying oil and water injection lines, and due to proximity to a water injection plant and power lines at the south end.
 - (b) The present strip would not meet Department of Transport standards in any case for the following reasons:
 - Proximity to public road and power lines at the North end; and water injection plant and power lines at the South end.
 - Variation in ground elevation results in a considerable "hump" in the middle of the strip.
 - Irregularity of adjacent land would make the cost of providing required parallel clear space and a taxiway to meet Department of Transport standards, too high to be considered.
3. Procedure to Obtain Municipal Airstrip

The town must own the land on which an airstrip is situated. Application must be made to the Department of Transport for a development grant. If approved the Department of Transport will provide the total cost of the airstrip development, as well as engineering design and supervision.
4. Cost of Land Options

Options have been taken on the required land pending submission of our application for development. Council approved up to \$5,000 for this purpose. The actual amount spent for the options covering all the required land does not exceed \$2600 including travelling expense and legal fees.
5. Total Investment by the Town.

If and when our application is approved by the Department of Transport, the town will have to take up the options on the needed land. Total cost of land, including options will be approximately \$46,500. The town would have to provide a small terminal building at estimated cost of \$7500. We may save enough on strip development to recover this building cost from the D.O.T. grant.
6. Projected Revenues

The Town would obtain revenues from:
 - (a) Ground rent for hangar, workshop, and industrial and commercial sites related to air services.
 - (b) Ground rent from tie down space for private aircraft.
 - (c) Royalty on sales of aviation gasoline (suggested 3¢ per gal.)
 - (d) Rent of unused ground space for agricultural purposes.
 - (e) Oilwell surface rentals on one parcel - approx. \$750 per yr.It is believed that these revenues would completely liquidate the total investment by the Town, over a 20 year period.

Total estimated investment by the town - land	\$46,500.00
Building & Misc.	8,500.00
	<u>\$55,000.00</u>

To pay out principal and interest @ 8½% over a 20 year term would require payment of approximately \$4,700.00 per year.

Our estimated revenue would completely service this investment without any cost to the taxpayers. Our studies included a tour of the Ponoka airstrip which earned approximately \$3,000 net last year on a much smaller strip. Therefore we believe our revenue projections are conservative and accurate.
7. Conclusion

It appears we have everything to gain and nothing to lose by this venture.

There appears to be no sound reason why we should depend on the limited facilities made available on a limited basis by private interests, for a much needed and beneficial public service to our community.

I suggest we should move into tomorrow, with appropriate, intelligent planning, rather than stagnate with yesterday's facilities and ideas.

T.W.D. Johnson, Mayor.

D. V. Highlights

By Mrs. Edith Deby

Mr. and Mrs. Frank Hazzard and daughter, Eileen, spent an enjoyable holiday at Jasper and Miette Hot Springs.

It will be four years in November since Mr. Doig became our police chief. The R.C.M.P. assumed the duty of policing the town last Friday and Mr. Doig became a private citizen. It is a pleasure to know that Mr. Doig's new job with the Board of Industrial Relations will not take him and his family from Drayton Valley.

Mr. Ali Hamdon has been holidaying in his native Lebanon for the past few months. Ten days ago he returned with a bride and we join all Ali's other friends in wishing the young couple every happiness.

Marie Ann and Ian McLean will leave for a six week visit and tour of parts of Europe in mid-July. The young people's mother, Mrs. Jack McLean,

comes from near Glasgow and some time will be spent there visiting relatives. Mrs. Joan Gray, formerly of Drayton Valley, will be on hand to meet the travellers at the airport.

Mr. and Mrs. Ted Tucker and Mrs. Otto Stordalvoll have just returned from a pleasant holiday on Vancouver Island.

A wedding of interest was solemnized in Drayton Valley United Church on June 20th when Lorraine Mary, eldest daughter of Mr. and Mrs. Frank Hazzard, and Mr. Brian Forester, of Thunder Bay, Ontario were united in marriage. Out of town guests were from Thunder Bay, Fort McMurray, Westlock and Bow Island. Mr. and Mrs. Forester will make their home in Edmonton. Best wishes for the future Lorraine and Brian.

Miss Sonya Urchyshyn is finishing her chef's course as an apprentice of Mr. Doug Barnes

at the Peppermill Inn in Edson. Mr. and Mrs. Seigel and family of Spruce Grove visited for a few days with Mrs. Seigel's sister and brother-in-law, Mr. and Mrs. Norman McKinley.

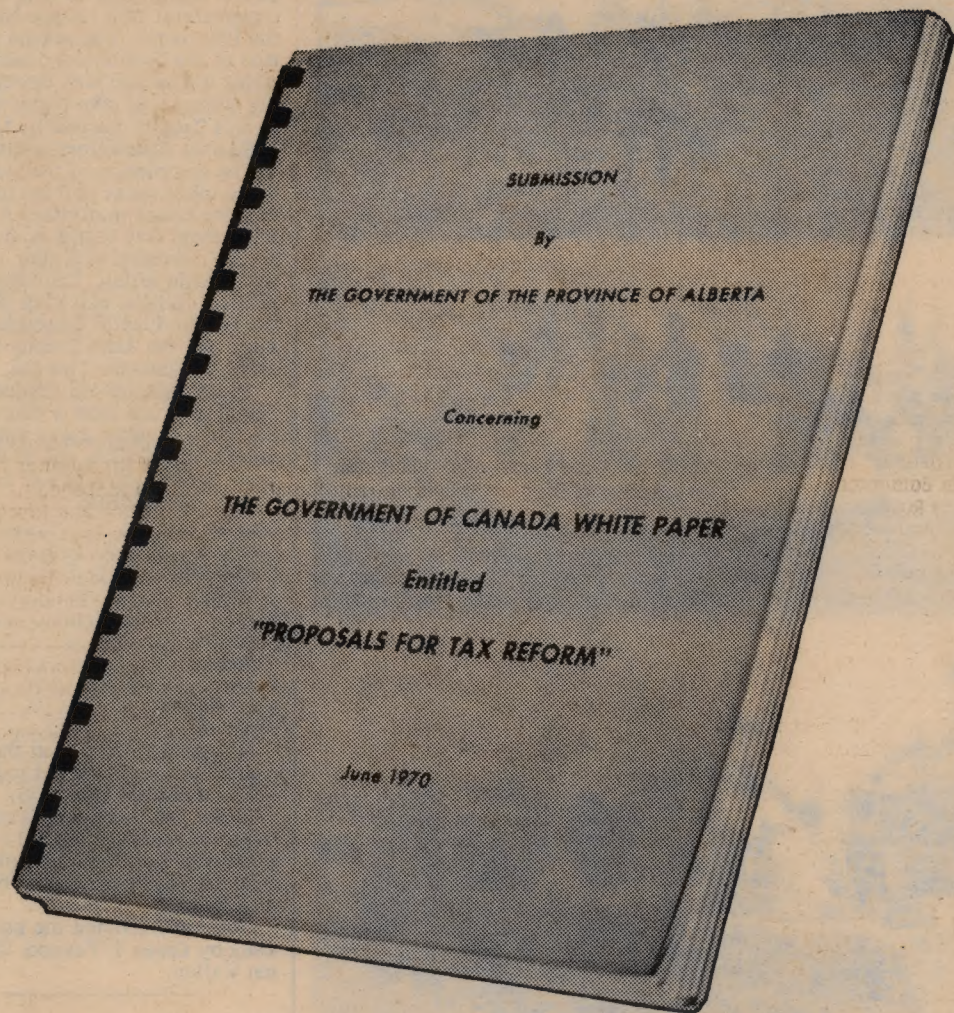

It is with regret that we learned of the death of Mrs. Fred Cull. Seemingly in good health, Mrs. Cull succumbed to a series of heart attacks two weeks ago. The Culls were among the early residents of the town and made many good friends among us. Since Mr. Cull's death, his wife made her home with a daughter, Mrs. Lydia Hatton, in Abbotsford.

Billy Urchyshyn left recently to make his home in East York, a suburb of Toronto.

Miss Eileen Hazzard has a job for the summer at the Buy-Low store in Westlock.

TRACKING DOGS

Nova Scotia is the only place in the world where tracking dogs are used to help trace those who start forest fires. The Province now owns two tracking dogs whose main role is to lead enforcement officers to people who accidentally or on purpose cause fires in the woodlands.

BUCK LAKE NEWS

Lorne Trusett arrived home from his northern job on the morning of the 26th and will be spending about two weeks at home.

Dolores and Ed Berezansky and family had Mr. and Mrs. Wearden from Edmonton visiting on the weekend.

Jim Foster left Saturday for a new job at Smith, Alberta.

On a recent weekend, Ken and Alice Odegaard and family drove to Red Deer and left the children with her mother and father, then motored on to Calgary to visit Ken's sister-in-law and her son in hospital there.

Esther and Roger Hammond went to Edmonton last Sunday with the Jim Hammonds and returned Thursday on the bus. Roger appeared on Popcorn Playhouse on Wednesday afternoon, July 1st. His cousin Leroy had his 4th birthday, so was privileged to dig in Eric's Goldmine.

Joe Mills is an apprenticing welder in Edmonton.

Mr. Joe Roberts was released from the Drayton Valley hospital on July 2nd.

It has rained in this area for almost a week which will certainly help gardens and crops.

A very nice shower was held for Sheila Hammond and Jim Wilson at the Recreation Centre Monday evening, June 29th. In spite of showers of another kind. This one almost turned out to be a candlelight affair, as the power was off for several hours that evening. Thirty-four ladies

sat in the dimly lit hall, while the hostess was getting some games ready by the light of half a dozen matches. A pair of silver-coated candles were brought in and by the light of those and car lights shining through the open door, we proceeded with the games. However, we were all happy when Mr. Edison's invention got back to work again. Sheila opened the assortment of lovely gifts with the assistance of Linda Wennerstrom. Mickey Parker recorded them. Sheila gave a speech in appreciation and invited all to visit them in their new home. Lunch was then served by the hostesses Barbara and Sandra McLeod and Linda Goltz, assisted by Edna Wasyk.

On Sunday, June 28th, Lucy and Martin Betlamini and family of Pend were out to help Mr. and Mrs. Leon Brzus celebrate his birthday.

Mr. and Mrs. Lorne Whitcomb (nee Alice Larsson) and daughter Anita, of Biggar, Saskatchewan, spent four days with her father and brother, Mr. Ejnar Larsson and Raymond. They also visited with her uncle, the Sig Larssons, and then motored to Sedgewick where they attended the stampede and visited with his family there.

A party was held Saturday night at the Recreation Centre, by employees of the Buck Lake Delhi Gas Plant, to honor newly weds Leon and Esther Poudrier. They were presented with some beautiful gifts, a silver salt, pepper and vinegar set and a silver lazy susan.

Our annual school picnic was successful with a good crowd and lots of sunshine. Races were held in the morning, followed by a buffet dinner provided by all the families. Before the afternoon ball games started, the Scholarship trophy was presented to Patsy Seigel who also received a \$15 cash award from the Recreation Centre and \$10 from the Buck Lake Stampede Committee. Perry Larsson received \$15 from the Ladies Friendly Circle Club as the runner up. Colleen Gilbertson took third place and it is with much pleasure that I congratulate these young people for their efforts, for myself and also on behalf of the community. The Home and School Trophy was presented by Mrs. Leopal Larsson, the Recreation Centre cash award by Edna Wasyk and the Stampede Committee award by Carol Seigel. The \$15 to Perry was presented by Betty Bouck on behalf of the ladies club. The Scholastic Improvement Cups were presented by the teachers of each grade. Mrs. Leopal Larsson presented a cup to Cathy Berezansky, grade 1; Todd Krysta, Grade 2. Mrs. Jason presented to Eddie Foster, grade 3, and Dean Krysta, grade 4. Mr. Jason presented a cup to his grade 5 student, Russell Steeves and Shelley Murray, grade 6.

We are glad to see that Mrs. Gertrude Durant is home from hospital and is looking well.

Madeline Prefontaine and family have had her sister Jackie, Bill and Jimmy Price of Black

Diamond visiting with them while they spent some time at their farm here. They purchased the Durant farm last year.

Mrs. Leona Duffy spent a few days in Drayton Valley hospital, but is home now and feeling better.

Mr. and Mrs. Jason (Eddie and Freda) are attending summer school in Edmonton.

A hamburger making bee was held at Audrey Rainers on June 27th and the community should give a vote of thanks to those who took time to help with the project, an annual job which has to be done before stampede day.

Sunday guests at the George McLeod residence were Mr. and Mrs. Fred Sweet and Mr. and Mrs. Joe Piggett, all of Edmonton.

Alex Barker, Sr. had his brother and wife from Irma visiting recently.

Larry Glenn of Lacombe is spending part of his summer vacation with Lyle McLeod.

On June 28th Don and Joyce Belcourt were here for a visit and left the children with their great grandmother Mrs. E. McKay for a few weeks holiday.

Duffys left for a holiday to Montana on July 2nd.

John Duffy rode in the saddle-bronc competition at the Ponoka rodeo, July 2nd.

Gaylene Schenk was at home with her parents, Lawrence and Pearl for a few hours on Sunday and is enjoying her job in the Senton Hospital at Jasper.

Lawrence Schenk's brother of Moon Lake visited at the Schenk home on the weekend.

An open house and dance was held at the Buck Lake Recreation Centre Friday, June 26th to honor George and Barbara McLeod on their 25th wedding anniversary. A buffet supper was served which was prepared by their daughters and daughter-in-law. A silver and white decorated three-tier cake centered the bride and groom's table, with silver candles on either side. The bride of 25 years was radiant and the groom very handsome. Mr. Ray Thompson, a long time friend and neighbor was m.c. Mrs. Joe Piggett who had been George's grade 3 teacher spoke a few words in his favor. She and her husband reside in Edmonton now. George and Barbara opened the many beautiful gifts, and thanked everyone. Dance music was supplied by Jack Platz of Drayton Valley. Over 100 people attended the open house and a good crowd was there for the dance.

Birthday greetings to Mrs. Gertrude Durant on June 27th. Best wishes to Pat and Geneva Patten on their anniversary July 6th and Esther and Wyman Fullerton on July 15th. Congratulations also to George and Sylvia Pozsgai who celebrated their 19th anniversary Friday, July 3rd.

Ede Drader had her brother and his wife visit her and Fred for a few days last week from B.C.

Look at Both Sides

How much does industrialization of the province mean to the average Albertan? We've heard many times about the benefit of industry bearing a share of the tax load, but have we looked carefully at the other side of the coin?

What value do we place on clear streams and skies, great tracts of forest and the opportunity for our children and their's to enjoy the west we know?

For those who envisage advantages in Alberta emulating the U.S. and becoming an industrial giant, we recommend thoughtful consideration of the following letter by a U.S. citizen that appeared recently in a daily newspaper. The letter, we think, should provide food for thought for all of us who might allow ourselves to be carried away by the attractions of industrialization.

"I am a U.S. citizen travelling through Canada. In reading some brochures and some splurges printed on highway maps, I could not help being struck with a certain contradiction in the Canadian attitude.

On the one hand, the brochures enthuse over the glories of untouched wilderness: "Trees are everywhere, hundreds of lakes and streams remain unmapped ... treasure the lonely grandeur of the big country, where nature is undisturbed." "For more excitement, charter an aircraft into the forested wilderness beyond the end of the roads.

On the other hand, many Canadians seem to be anxious for economic exploitation of their wilderness. Some brochures brag about "booming population", industrial "expansion" and the extension of the roads further into the wilderness.

You ought to realize that you can't have your cake and eat it too. Preserving a few islands of wilderness in the form of parks isn't enough as is shown by the example of the western U.S. There is still some wilderness left there, but the number of people who want to use that wilderness grows by leaps and bounds while the wilderness itself shrinks.

"It gets harder and harder to escape the crowds, even when one travels several miles on foot into a designated "primitive area," and it appears that if any wilderness is to be preserved at all, permits will eventually have to be required for travel into wilderness areas.

"Try fishing in the U.S. You'll be lucky if you catch anything. In order to have the kind of opportunities that Canada still offers, it is necessary to have really enormous areas of untamed forest and a reasonably small national population.

"If I were a Canadian, I would favor laws designed to discourage the growth of population and the extension of the road system. Look at it this way. The more people there are the less land and natural resources there are for each person.

"What many people in the U.S. are beginning to realize - now that it's too late - is that the growth of population and industry is good for businessmen because it helps them get rich and good for government bureaucrats because it provides impressive statistics to swell their egos, but it isn't good for the average person.

"The trouble is that some Canadians don't seem to know when they're well off."

Theodore J. Kaczynski
Lombard, Illinois

We don't deny that many Alberta communities would be revived by the addition of a small industry and we should all welcome some means of decentralization that would keep smaller Alberta communities prosperous and able to offer residents the amenities of modern life. But before we're led down the path to forests of smokestacks rather than pines, let's carefully assess the disadvantages as well as the advantages.

Lutheran Women At City Convention

Mrs. Dolores Mohr of Drayton Valley will be leaving soon to attend a 2 day convention in Edmonton, Alberta. The A.B.C. District of the Lutheran Women's Missionary League (an international auxiliary of the Lutheran Church - Missouri Synod) will be holding their 10th Biennial Convention at Concordia College, July 14th to 15th in Edmonton.

The theme of the convention is "Wake up Sleeper", Ephesians 5:14. It is a challenge for us to be what Christ has made us. It is also a description of the message which we are to proclaim to the world.

The 2 days will be filled with activity. There will be new projects to vote for, special speakers to hear, a planned tour to take, and it all winds up with a Klondike Banquet plus Klondike entertainment provided by the S.P.E.B.S.O.S.A. (the Edmonton Chapter of the Barbershopbers).

The L.W.M.L. has 207,000 members in the U.S.A. and Canada. In addition to local service projects, the women contribute over one million dollars each biennium for International and District projects. The money comes from free will offerings collected in small Mite Boxes which are dedicated by

the members quarterly.

At the last A.B.C. District Convention held in Grande Prairie, Alberta, in 1968, projects amounting to \$8,000 were adopted and are now completed.

KEEPPHILLS NEWS

A good crowd attended the Awards Night at Keepphills School on June 26th. A half-hour program was put on by the Home and School, which was quite humorous.

Mr. Gunther of Fallis has been doing some ditch digging in the district.

Gerald McGinn is in the district with his well drilling equipment, presently trying to get water for Ted Cymbaluk.

Haying is underway in this area and the dry weather is helping out. But gardens are very much in need of rain.

June 28th was the annual reunion of the Raymond families, from all parts of Alberta, held at Gull Lake. Some families were absent, but there were 67 people present, which is the largest yet.

ENTWISTLE NEWS

Recent visitors at the Campbell home were Dan and Jenny Barry, cousins of Marge and Mr. and Mrs. Dave Erhardt, all of Vancouver.

Glenns, Ralph and Wendy Ostertag visited at Whitecourt for a few days last week.

Gordon Oliver and Lorne Skare were home for two weeks after working for six weeks at Ellef Ringnes Islands. They are to return on July 2nd.

Mr. and Mrs. John Oliver, Gordon David and Harold attended the wedding of Mrs. Oliver's nephew, Russell Haggith and Margaret Roberts in Edmonton on June 27th.

A lovely shower was held in honor of Delores Hoople who was married on July 4th. About 40 persons were present with games being played and several receiving prizes. After the games the gifts were opened by the bride and her attendants. Delores then thanked all for coming and for the lovely gifts. The shower committee were also thanked after which a lunch was

served to all present.

Muriel Johnston is home again at least for a while. Glad to see you once again Muriel.

Harold had the misfortune of having two teeth torn from the gums in a football accident at school on June 29th. Having been taken to the dentist immediately by Mr. E. Smith, they were able to transplant them and we hope it will be fine. He is O.K. and we hope he will soon be able to play ball again.

Librarians for July and August are: July 7th, Doreen Clark, Shirley Sullivan; July 14th, Rosemary Hofmann, Penny Dieb; July 21st, Mae Moore, LeeAnn Smith; July 28th, Dot Carr and Phyllis Brown. This week est.	3350	2900	450	2550	130
Last week	5208	4400	808	4719	107
Same week 1969	3905	3395	510	1571	46

SUMMARY

Lower receipts on account of the holiday week and heavy rain throughout most of our markets area. Trade was generally active throughout on all classes of slaughter and replacement cattle. There was a noticeable increase in the percentage of slaughter steers and heifers being offered. Prices were a little firmer with both steers and heifers 25 to 50 higher. Cows were uneven from 50 lower to 50 higher. Bulls were steady. Veal 5.00 lower. Replacement prices were generally steady.

SLAUGHTER CATTLE & CALVES

Butcher steer prices opened the week under a firmer tone and sold readily to 29.00 for choice heavy weights in the 1000-1050 range. A fairly heavy offering of lighter weights in the 950-1000 lbs. sold under discounts of 50¢ or more. In closing trade a few fancy heavy weight steers brought 29.20. Butcher heifers were moving on a firmer basis throughout the week with choice kinds topping 26.70 as the week closed. Butcher cows opened steady on all classes but closed strong with good and medium dry feds 50 higher with the odd sale to 22.50. Good bulls were generally scarce at steady prices. Good veal calves were sharply lower selling to 45.00 as the week closed. Butcher calves were also lower.

REPLACEMENT CATTLE & CALVES

There was a good demand for all classes of replacement cattle and calves with the lighter good green kinds bringing the most action. Prices were fully steady to firm on heavier weights while an increased offering of good light steer calves 200 - 300 lbs. selling up to 60 cwt. and good light weight heifer calves up to 50 cwt.

Out of province shipments last week from the Edmonton Public Stockyards were: East 225 for slaughter; West to B.C. 175 for slaughter. Export 100 cattle, 210 hogs. Feeders to southern Alberta 900.

Summary Regular Meeting Parkland School Committee

Meeting of the School Committee of the County of Parkland No. 31 continued in the County Office on Tuesday, June 23.

Present were Messrs. R.A. Bailey, George Mann, L.N. Miller, R. Zander, Peter Bakker, R. Lent, Ivan Vowk, Don Gylander, J.W. Tyler, Mrs. A.C. Kritzinger and Mrs. Elizabeth Howery, School Committee members, also Assistant Superintendent, Mr. W.G. Wilson and Assistant Secretary-Treasurer, A.W. Boychuk.

The meeting was called to order at 9:00 a.m. with the Chairman, Mr. R.A. Bailey, in the chair.

INTERVIEW WITH DEPARTMENTAL OFFICIALS

Dr. E.K. Hawkesworth and Mr. B.L. Stringham of the Department of Education came to see the School Committee regarding a Superintendent of Schools for this County.

Dr. E.K. Hawkesworth suggested the following procedure be followed in appointing a new Superintendent.

- That the position be advertised.
- That a special Selection Committee be set up to screen the applicants.
- That outside personnel be invited to sit on the Selection Committee; however this Committee should not be too large.
- That the final decision be made by the School Committee as a whole.
- That the matter of salary and terms of contract be carefully studied and considered before advertising. The contract should outline the duties of such a position and is usually for not less than for 3 years.

Dr. Hawkesworth advised that an Acting Superintendent will be appointed by the Department in the interim and he offered his assistance in expediting the selection and appointment of a permanent County Superintendent.

It was moved and carried that the Department of Education be requested to appoint a temporary Superintendent of Schools for this County until such time as the School Committee can appoint its own permanent Superintendent.

Mr. Ivan Vowk and Mr. R. Zander asked to have negative votes recorded.

It was moved and carried that Mrs. Elizabeth Howery, Mr. R.A. Bailey and Mr. L.N. Miller be delegated to draw up a suggested job description, format of contract and criteria for selecting a County Superintendent of Schools.

It was moved and carried that the matter of extending counselling services, as recommended by Mr. Neil McDowell at the April 16th meeting, be tabled until the budget can be more carefully scrutinized and job descriptions for these counsellors be defined.

SCHOOL LAND DRAYTON VALLEY

It was moved and carried that Mobil Oil be requested to move the flowline as soon as possible on the proposed school site in Drayton Valley within the estimated cost previously submitted.

It was moved and carried that a token payment in the amount of \$30 be made for mementos to the 4 volunteers who assisted in the Spruce Grove school during the past several months.

It was moved and carried that Mr. C. Ursel be requested to attend a School Committee meeting to discuss the merits and/or weaknesses of engaging lay volunteers to assist in classrooms.

PROPOSED CHANGES SCHOOL BUS CONTRACT

A letter was received from the County Solicitor in which it was recommended that the following clauses be added to the present school bus contract:

- That in the event that either the owner of the said motor vehicle, if he drives the same himself, or the driver provided by the owner, becomes charged with an offence in the operation of the said motor vehicle under any Provincial Statute or regulation or is charged with any criminal offence, the Party of the Second Part shall be entitled in its sole discretion to suspend the

party charged from driving the bus until the charge has been disposed of in the Courts. Neither the party charged nor the owner of the said motor vehicle shall be entitled to compensation as a result of the said suspension.

- That in the event that either the owner of the said motor vehicle, if he drives the same himself, or the driver provided by the owner is convicted of an offence in the operation of the said motor vehicle under any Provincial Statute or regulation or is convicted of any criminal offence, the Party of the Second Part shall be entitled in its sole discretion to suspend the party convicted from driving the said motor vehicle for the balance of the term of this Agreement.

It was moved and carried that the additional clauses as proposed by the County Solicitors, be incorporated in the present School Bus Contract.

A request was received from Regional Recreation for permission to borrow a projector and

record player for their program for the summer.

It was moved and carried that the Regional Recreation be authorized to borrow a projector and record player on the condition that these be returned before September 1st in the same condition as they were when taken.

It was moved and carried that Mr. Don Bablitz's request to rent 250 chairs for the first week in July be not granted.

It was moved and carried that the stove and fridge in the Duffield teacherage be purchased from Mr. N.F. McRobie for \$250.

ADDITIONAL TEACHER STONY PLAIN

It was moved and carried that Mr. A.E. Olson be authorized to engage Mrs. Donna Akins as teacher for a Grade 1 class at Stony Plain Elementary during the last week of the present school term.

It was moved and carried that Mr. R. Lent be authorized to

purchase a piano for the Duffield School for \$425.

It was brought to the attention of the School Committee that pupil accident insurance on a blanket basis was accepted by County Council in 1969 but it was too late to implement it for the 1969-70 school year. The insurance is on the following basis:

It was moved and carried that effective September 1, 1970 the School Committee implement blanket pupil accident insurance with Decker's Insurance, in accordance with his tender, and that Drayden Insurance and Accounting be advised of this action.

**SCHOOL BUILDING
SIGN BOARDS**

The following letter was received from the Chairman of the School Buildings Board:

"With respect to the construction of new school buildings, and additions to existing schools, the Department of Education is interested in making provision for the erection on site of a building sign board recording the building title, and statistical data relating to cost; size; amount of Provincial Government support, percentage of cost supported locally, and outlining any special or desirable features incorporated in the project. It is therefore suggested that the project architect with the approval of the owner include under the general conditions of building specifications a clause requiring the general contractor to make all arrangements for the erection of such a sign. Layouts, colors and arrangements of the sign board will be subject to prior approval of the architect, and owner.

Your co-operation in this matter will be very much appreciated."

It was moved and carried that the above letter be filed for information and that this be implemented in all new buildings contracted from now on.

**SEBA BEACH
ACCIDENT**

It was moved and carried that we ask the School Principal for a complete written report on the accident at Seba Beach track meet June 5th.

Mr. George Mann reported that the Entwistle Fire Chief has requested permission to conduct Fire Drills at any time without prior consultation with any of the school staff. It was explained that, according to present policy, the Principal of the school calls Fire Drills at the request of the Fire Chief or on his own initiative.

It was moved and carried that the proper procedure for conducting fire drills be outlined in the policy handbook.

**REGISTRATION OF PUPILS
SCHOOL OPENING**

It was moved and carried that the Principals' be requested for their opinion on implementing a policy where each pupil would be required to give the name of the family doctor or doctor of their choice when registering at school.

It was moved and carried that a letter be sent to the Village of Spruce Grove advising that they are delinquent in their payments towards the new school gymnasium.

Mr. John S. Hrasko, President of the Principal's Association and Mr. W. Irl Miller, President of the Local A.T.A., came to see the School Committee regarding a letter written by them to the Minister of Education on June 11th about the Superintendency in this County.

This matter was discussed at great length together with other matters pertaining to general administration.

It was moved and carried that Mr. Adam Prybylski's resignation from staff be accepted.

It was moved and carried that Mr. Thomas G. Hutton be designated Vice-Principal of the Drayton Valley Junior High School effective September 1, 1970.

STAFF APPOINTMENTS

It was moved and carried that the following staff appointments be approved; Mrs. Anne-Marie

Hicks, Drayton Valley, Grade 1; Miss Mary Stuha, Stony Plain, Grade 2 and 3; Miss Mae Louise Zerebeski, Spruce Grove, Grade 4.

Mr. W.G. Wilson reported that 14 more teachers are still re-

quired for the coming term.

Mr. W.G. Wilson reported that 16 letters were mailed to parents of the Junior High School pupils in the Keepphills of which 15 were returned. Ten parents indicated that they wanted their children to attend school in Duffield and 5 wanted their children to go to Keepphills. This matter was left to Mr. R. Lent and Mr. W.G. Wilson for further study.

Regular Meeting Agric. Committee

Minutes of meeting of the Agricultural Committee held at the County Office, Stony Plain, Alberta on Friday, June 26th.

Members present were Chairman Mr. George Mann, Messrs. Leslie Miller, Robert A. Bailey, Peter Bakker, Roy Lent and Ivan Vowk. District Agriculturists Earle Lowe and Tom Brown; Agricultural Fieldmen W. Moelhoff and Donald Woods; Secretary Len Webber.

TREE PLANTING POLICY

Considerable discussion took place regarding changes that should be made in the Provincial Tree Planting Policy such as an earlier cut off date for accepting applications for trees, site inspections and a possible fee for taking applications.

It was moved and carried that we write to Mr. Howard Fulcher, Regional Agriculturist and suggest that a uniform tree planting policy be established in District 6 with respect to an earlier uniform cut-off date, site inspections and a possible fee for taking applications for trees.

The schedule of rates to be charged for the use of the County pesticide sprayer was presented by the Agricultural Fieldman, Mr. Moelhoff and was discussed.

It was moved that the following schedule of rates be charged for use of the County pesticide sprayer, \$10 flat rate charge per farmer, \$2 per hour for sprayer, .10¢ per oz. of chemical used.

VETERINARY SERVICES WESTERN AREA

A proposed tentative contract between the County of Parkland No. 31 and a Veterinarian for the purpose of establishing Veterinarian services in the western area of the County was discussed at length and changes made therein noted.

It was moved and carried that the revised tentative contract be presented to the Veterinarian.

Mr. Moelhoff reported that 90.4% of the cattle owners contacted had signed a petition in favor of establishing a warble control area in the County of Parkland. He had also placed an ad for 2 consecutive weeks in the Stony Plain Reporter and The Western Review asking that cattle owners who were not contacted get in touch with him.

To date no reply to the Committee's recommendation to Council to pass the necessary by-law has been received.

Mr. Zander was present for the afternoon session.

The Agricultural Fieldman's Report of activities since the last meeting was read and accepted.

The Secretary was asked to note that the Agricultural Committee feels that more meetings of the Seed Cleaning Association should be held than have been held in the past.

It was moved and carried that the Warble Control Chemicals be purchased from the Association of Municipal Districts and Counties only.

Mr. Bakker asked to have his negative vote recorded.

It was moved and carried that the agenda and background information on items on the agenda for Agricultural Committee meetings be made available to Committee Members in printed form 4 days prior to the committee meetings.

FIELDMAN APPOINTMENT

It was moved and carried that the Committee recommend to County Council that Mr. Donald A. Woods be appointed Weed Inspector under the Noxious Weeds Act, Pest Control Officer under the Agricultural Pests Act, 1960 and Soil Conservation Officer under the Soil Conservation Act.

It was moved and carried that the Committee recommend to County Council that Mr. Donald A. Woods be appointed as full time assistant Agricultural Fieldman.

Miss Kathie Bouck

Miss Kathie Bouck was named Queen of the Buck Lake Stampede that took place Wednesday, July 8th. The runner-up contestants were Susan Wennerstrom of Alder Flats and Yvonne Cartier of Winfield.

SUPERVISED GAMES AT ROTARY PARK

All children, ages 4 to 10 are welcome to play in the Rotary Park, supervised games, crafts, etc. Open 10 a.m. to 12 noon Monday through Saturday and from 1 p.m. to 4 p.m. in the afternoon Monday to Friday.

EVANSBURG NEWS

Rainy days just at this time of the year are not too welcome as they are upsetting celebration plans for the July 1st holiday. At the time of typing this column, float activities are in full swing in the backyard and the house basement.

The ladies of the UCW had a tea at the home of Mr. and Mrs. Kossowan honoring Mrs. Krasowski, a member of the congregation who is leaving the community. During the evening, the ladies presented Mrs. Krasowski with a gift from the organization.

The members of the United Church congregation held a farewell party in the church basement for the Nelson family and the Krasowski family recently.

Both families are being transferred to other parts of the province. Beginning on July 5th, United Church services will be held at 10 a.m. during the summer months.

Members of the planning committee held a meeting recently to tie up all the loose ends relating to the July 4th celebrations. Several of the floats built took part in the Entwistle July 1st parade.

Visiting at our home for the first part of the holidays is Master Brian Hogg of Edmonton. Brian's father and grandfather have been residents of the village.

On Saturday, June 27th, Mrs. John Tkachyk gave a piano recital at her home. Music students and their friends, in addition to six invited guests, made a total of 24 persons in attendance. An all Beethoven program was presented in observance of the bicentenary of the great composer. Six works were performed, the major one being Sonata Opus 13 (The Pathétique). For an encore, Mrs. Tkachyk called on her

daughter, Mary, to join her in the playing of a duet. The piece chosen was the Rondo from Sonata Opus 6. After the recital, refreshments were served. Local invited guests were Mrs. John Keast, Miss Caroline Keast, Mrs. Henry Herschen and Mrs. Robert Caron. Out of town guests were Miss Donna Boyce from Edmonton and Master Kim Wolff from Fort McMurray.

Mrs. Tkachyk left on Tuesday, June 30th for Toronto where she will attend summer school classes at the Royal Conservatory of Music. During her stay in the Queen City, Mrs. Tkachyk, who is a graduate of the Royal Academy of Music, London, England, will sing with the summer school choir under the distinguished direction of Dr. David Ouchterlong, Principal of the Royal Conservatory of Music.

Since summer holidays have now begun, there will soon be many bored and restless youngsters wandering around. A summer program of activities has been planned by the members of the recreation board and these youngsters are invited to look into these activities which will be taking place at the Evansview School.

Skating School Now Underway

The Drayton Valley Summer Skating School has come to the end of the first week of operation.

Although the number of registrations were less than hoped for, many skaters found the uncrowded sessions and extra ice time to their advantage.

There will be public skating every Sunday afternoon from 2 - 4 p.m. and evening from 7 - 9 p.m., except July 26th and August 23rd which are test days. Admissions: children 25¢, adults 50¢.

The end of the first week saw all skaters pleased with their schedules. Many took advantage of the ballet classes held daily to supplement their skating skills.

Those skaters coming from out of town found their accommodations and reception from home town skaters to be very pleasant. It is hoped that they will return home and give a favorable recommendation which will ensure a large registration in next summer's skating school.

The only portion of the schedule which is not satisfactory at this point is the group class. This month's registration was poor but it is hoped to improve when the next class starts on July 27th. Since the group skaters are drawn mainly from Drayton Valley itself, all winter skaters are encouraged to "beat the heat" and attend a month of summer skating.

Swim-a-thon Proves Very Successful

The Neptune Swim Club would like to thank all the swimmers and their sponsors who made the "Swim-A-Thon" so successful. Thirty nine swimmers took part and 30 of the swimmers received their Mile Swim Awards. Five won gold, nine silver and nine bronze.

Gold swam 64 lengths in less than 30 minutes, silver swam 64 lengths from 30 to 35 minutes, and bronze swam 64 lengths from 35 to 40 minutes. Under 40 minutes received a crest. We hope to make this an annual event.

Investment Club Increases Share Value

The 1970 Grade nine investment group has increased its par value share of one dollar to a dollar sixty-four during its first two months of operation but more importantly it has started over 100 students on the road to an important economic education, which is in no way of the nineteenth century that Marshall McLuhan states that today's education is. The investment group is total involvement as the members have already come to realize.

As the group raises money for investment it also turns money back into the community as any good business should. The group will continue to operate through the junior high school where it originated as the students move on into the high school.

Hal Smith is present President, Brenda Streit is Vice-president, Donna Kerber is Secretary-Treasurer and Philip Steeves, the Public Relations Director.

Some of the members have come to the following knowledge over the past two months of operations.

Valarie Ward --
"How to reason when money is involved. How principles and standards will pay off in the long run."

Charlene Pentowski --

"I have learned, from the investment group, a small part of the country's economics. Little things which I may never have gained have come clear through my involvement in the group."

Anna Kaarsemaker --
"From membership in this group I have especially learned how the stock market works. I have also learned about the ways companies can run into problems and possibly solve them. If not for this group I would be ignorant about inflation, depression and the dollar value."

Lindsay Machan --
"I have learned the meaning of inflation, a little about how the stock market works and some of the concepts of our capitalist system."

Corey Selin --
"I have learned the value of the dollar."

Darryl Miller --
"To all comes the ability to learn and improve."

The company enters the summer vacation period with 101 members holding 330 shares and an income of \$1100 and anticipation to greater educational involvement come next semester.

BURTONSVILLE NEWS

Cecil and Ralph Homme have been haying with Leonard Ratkie of Spruce Grove these past few days.

William and Nora Henkel are very proud parents of a new baby girl born recently.

Judy Ratkie and her twin boys, Shane and Shawn visited her mother Mrs. Adrien Charlett on Monday.

The Ladies Missionary Society held its annual business meeting at Marge Greanya's on Monday afternoon. Marge was having trouble with her bees swarming while Eldon was away shearing sheep.

The annual combined Sunday school picnic of Burtonsville and Mewassin was held here on Saturday. Some folks from Edmonton and Warburg attended. Among them were Mr. and Mrs. Alex Hohol of Edmonton who were guests of Axel and Emma Homme for the weekend. Alex met some old school pals that he had not seen since 1933.

Buford and Amy Walker have Amy's mother, sister and aunt from Saskatchewan visiting this week.

Loren and Vera Draves and family of Edmonton visited Vera's sister Rita Mykituk and family on Sunday.

Stanley and Doris MacDougall were visitors at Axel and Emma Homme's. Their son Ken is away on a trip to Williams Lake, B.C. with June Muschell and his aunt Norah MacDougall of Edmonton.

Crops of grain are badly in need of rain. While this rain that is falling now will stop the hay makers for the day at least.

members of the A. Myck family are shown here at a recent gathering. Top row, left to right, Eric Eric Myck, Mickey Fontana, Willie Myck, Margaret Woloszyn, Karl Myck, Elsie Scott and Gus Myck. Middle row, left to right, Mr. and Mrs. August Myck. Front row, left to right, Paul Myck, Eury Solomon, Garry Myck and Edna Hallett.

Family Reunion Held

A barbeque picnic held at Easyford was quite an occasion for Mr. and Mrs. A. Myck of Tomahawk, which all their family were able to participate.

This was very special for their daughter, Mrs. Elsie Scott of New Zealand who was present for the first time in 25 years at one of these family gatherings.

Mrs. Scott is spending four months in Canada amongst her family before returning to New Zealand in September.

Her daughter Dianne accompanied her mother to Canada and is having a wonderful time meeting her relatives for the first time and enjoying every moment.

The Homemaker

Mrs. Sheila Brown, D.H.E.

As in past years YES -- Youth Employment Service -- is doing its best to help students find jobs. What are you doing to help the student?

This is the time of year that presents a problem to thousands of students. You may ask yourselves "Well what seems to be the problem? Surely students don't have problems."

As a student of recent years, I can assure you students do have a problem! The problem is trying to find a summer job to earn enough money to finance their education, and at the same time having the opportunity to become familiar with the world of work.

As you may recall from your own teenage days, the experience of working is invaluable to later life. Try to recall how "wet behind the ears" you were upon undertaking your first few job experiences. You may laugh to yourself at the awkward situations you experienced as a "greenhorn", when you recall past memories. Why not give the students of today this same opportunity.

We as citizens should seriously consider the possibility of making a summer job for a student no matter how large or small it may be. In addition to giving the student a bank account and valuable experience, it also gives the student greater insight into choosing his final occupation goal.

Again this year there will be Student Employment Services provided in the Stony Plain area. There will be three offices operated by students from their respective communities. Offices are located in: Drayton Valley, in the Recreation Office, Phone 542-3440; Stony Plain, in the Town Hall, Phone 777-2155; Alberta Beach, in the Village Office, Phone 924-3410.

These offices will be open from 9:00 a.m. to 12 noon each weekday.

Why don't you support your YES office by hiring a student to do many of the small jobs which are usually left undone? Such jobs as: lawn mowing, house and fence painting, babysitting, housecleaning, labour, car and truck washing, garage cleaning, store clerks.

LODGEPOLE NEWS

Mr. and Mrs. M. Dubina have moved to their new home in Drayton Valley. Mr. and Mrs. T. Woytovich are in the process of moving their house to Drayton Valley.

Mrs. R. McGregor and sons Neil and Darcy are spending a week at Pine Lake.

Mrs. S. Kyle and family are spending the summer with Mr. Kyle at Quesnel, B.C. Ricky Kyle is employed there also.

Recent visitors at the G. Pederson home were her mother, Mrs. Kaeding of Churchbridge, Saskatchewan and brother and his wife, Mr. and Mrs. Lloyd Kaeding of Pembroke, Ontario.

Mr. and Mrs. Jim Attwood attended a class reunion of the old Pinehurst country school at Redwater. They were accompanied by his sister, Mrs. Evelyn Code who flew from Abbotsford, B.C. for the occasion.

A farewell dance is planned for Mr. and Mrs. Peter Hyde on July 17th. Everyone welcome.

Miss Hyde of Cairo, Egypt is spending a fortnight with Peter and Sue Hyde. Miss Hyde is a professor of Sociology and is on a summer lecture tour of the U.S.A.

Mr. and Mrs. Jack Thatcher went on a weekend trip about the middle of last month.

Ralph Cropley visited relatives and friends in the district a couple of weeks ago.

Mr. George Martin's sister, Mrs. Ella Byers of Toronto, arrived at the International Airport on June 20th. She is a guest in her brother's home and will be on hand to help the Martins celebrate their 50th wedding anniversary on July 4th.

Robert Van Ember left this week on a trip to California.

Miss Leanne Johnston spent the weekend of June 20th with her mother, Mrs. Florence Johnston.

Most sincere congratulations to Mr. and Mrs. George Ellis of the Funnell district who celebrated their 50th wedding anniversary on June 27th. Mr. and Mrs. George Martin and Mrs. Byers attended their open house from this district.

The Berrymoor Three B's Club held its June meeting on the 27th. This occasion was a cleanup day at the cemetery and there will be another one at the July meeting. It is the policy of the club to hold their May, June and July meetings of each year at the cemetery. And, each time, any cleanup work that is needed, is done. A vote of thanks to the men who turned out and worked hard to clean out the fence line and set in posts to re-build the fence.

Hubert Cropley from B.C. was a district visitor this week.

Congratulations to Mr. and Mrs. Tom Bijou who were married on June 27th. Their reception and wedding dance was held at the Lindale Hall.

School Red Cross Group Active

During the past year Room 22 at the Drayton Valley Elementary School has had a Red Cross Youth group.

Money was raised by a grade 5 hallowe'en party, bake sale, white elephant sale, and the sale of two editions of a school newspaper made by the pupils of the class. By collecting Nabob coupons, toys and towels were purchased.

Eleven stuffed animals were made by the pupils to be given to less fortunate children.

Over 1200 used postage stamps

were collected. These are sold around the world to stamp collectors.

Six health kits were sent away. These are given to families whose homes are burnt out. They contain comb, tooth brush, kleenex, nail file and small toy. Our thanks to Dr. Shimbashi who donated the tooth paste and tooth brushes.

Two scrapbooks about Canada, one made by the boys, one by the girls, were sent into headquarters. These are used by schools in other countries, when studying about Canada.

During the year \$30 was sent to the Red Cross. Altogether the class felt they had a very successful year.

RAMONA NEWS

Marvin and Lorraine Sullivan had friends visiting them from Torrington, Wyoming last week.

We would like to welcome the Marvin Grue family to our community. The Grue family lives across the road from Ken Stewart's, where Putnam's used to live.

Allen Stewart won 2 first ribbons and 1 second at the gymkhana on Sunday. His brother Don won a third. Allen also came in fourth in the horse races later.

Terry Kelly spent the afternoon in hospital on Monday after almost drowning in the swimming pool. Thanks to Larry Swap who was watching out for Terry and called the lifeguard in time to save Terry's life.

Cecil and Phyllis Kelly and Ella and Earl Kelly motored to Revelstoke and Salmon Arm last week. They left June 27th and returned July 1st. They report having a very happy holiday.

Bud and Bernice Sullivan and Ken and Jean Stewart drove to Calgary and Millarville for the July 1st races. They went to see Cliff Whitelock's quarter horse, Kit Van Bar, race.

Happy anniversary to Mr. and Mrs. Tom Hallett who celebrated their 25th anniversary on

June 27th. Joan Beauchamp hosted a party in their honor at the Ramona Hall with the Ramona Community League catering.

Joan Beauchamp has her sister and brother-in-law visiting her.

WEATHER AGREES WITH RADISH

Mrs. Henry Toews of Drayton Valley has produced a king-sized radish in the family garden. The beet-sized vegetable, probably 4 to 6 times larger than normal, measured 7 1/2 inches in circumference.

The large growth is unusual with the rather limited rainfall this spring and very little watering of the garden. Planted about May 24th, the radish had not yet gone to seed, and appeared to be edible.

BERRYMOOR NEWS

Congratulations and best wishes are in order to the young people of the grade 8 class at Lindale School. A banquet and graduation exercises were held for them at the school on the evening of June 25th. Special mention is due to Miss Linda Pischke of Berrymoor who was one of the award winners.

Mr. and Mrs. Pearson of Calgary visited for a few days at the home of their daughter and son-in-law Mr. and Mrs. Lester Cropley. When they returned, their granddaughter Miss Mymitta Cropley accompanied them.

Congratulations to Mr. and Mrs. Jim Levers, on the birth of a daughter in the Breton hospital on July 2nd. Congratulations to Mr. and Mrs. Jack Barrett on becoming grandparents for the first time.

Mr. and Mrs. Roy Lawson were away for a few days on a brief holiday.

Get well wishes to Mrs. Thelma Gilchrist who was a patient in the Drayton Valley hospital for a few days.

Mr. and Mrs. Brian Thorsen visited briefly at the home of Mrs. Thorsen's parents, Mr. and Mrs. Hilt of Dewberry, Alberta.

A bridal shower for Miss Joyce Lawson will be held at the home of Mr. and Mrs. Roy Lawson on the evening of July 11th.

Sincere congratulations to Mr. and Mrs. George Martin who celebrated their 50th wedding anniversary on July 4th. The

day began with a dinner for the family and invited guests at the Lindale Hall. This was followed by a period of open house. During this time friends from near and far, stopped in to wish the best to the well known and popular couple. In the evening another period of open house was held. Again, there were many on hand to wish them well. The highlight of the evening was the presentation of a gift from the Berrymoor Community, for which Mr. and Mrs. Martin thanked everyone present, most graciously.

Mrs. Ella Byers of Toronto, Mr. and Mrs. Jim Shaw and family of Duncan, B.C., Mr. and Mrs. Dee Hartley from Boise, Idaho, Mr. and Mrs. W. Schmidt from Washington, Mrs. Eda McDonald of Williams Lake, B.C., Rev. and Mrs. Isaac Brown of Linden, Alberta, Mr. Sid Butts of William Lake, B.C., and Mr. and Mrs. G. Quantz of Bowden, Alberta were among those who travelled from far places to the 50th wedding anniversary of Mr. and Mrs. Martin.

Parkland Notebook

Last week I wrote a little bit about our new Summer Program. The Travelling Craft trailer, which will visit four different areas in the Parkland region in the last two weeks in August, bringing along specialized instructors and lots of materials for everyone to try their choice of crafts such as primitive pottery, weaving, basketry, sketching and painting.

To give you an idea of what the different crafts are all about, I will write a little bit about them each week starting out this week with "Primitive Pottery."

We call it primitive pottery because it is the way the Indians used to make their utility pots. We all know that Indians didn't have any facilities where they had equipment such as wheels,

kilns, etc. Yet their pottery was amongst the strongest and most creative pots in all ceramics.

As you know, the Indians were travellers. Wherever they made camp, they found clay, dug it out and started to form it by hand. The bottom of the pot was rounded so it could sit on the open fires. The top of the pots were "closed" in. Rounded shapes are much stronger and therefore more likely to survive the outdoor firing than a flat shape.

As it is being built, the inside should be scraped smooth with a shell or a piece of tin; the outside may be scraped smooth decorated with the fingers to create a nice texture. If the outside is scraped smooth, it may be polished with a stone and at the correct dampness a

hard glossy surface will appear on the pot.

Then the pots are dried in the sun and around a small fire at the same time.

The next step is firing in an open camp fire. After the temperature has been reached and the fire smothered you wait approximately three hours (while you are waiting you might take in one of the other crafts or go on a trip to find local clays which you can use in your own backyard), before poking through the dirt to recover your pots. They may look dirty at first, but after they are brushed off, rubbed with dirt or sand and then washed, they should look very beautiful.

Although they will not hold water as high-fired glazed pieces will, the Indians did use them for cooking. As a matter of fact they used to cook on pots directly over the open cooking fires.

In the meantime why don't you make a visit to your library or museum and find out more about primitive pottery? See you the last two weeks in August.

CARNWOOD NEWS

Congratulations from the community to Mr. and Mrs. George Ellis of Breton on their Golden Wedding Anniversary. We wish them many more years of wedded bliss.

Graduation Night was held at Lindale School on Thursday, June 25th for grade eight. Four pupils won awards. They were Trevor Cox, Ethel Hutchinson, Nancy Bijou and Miss Pischke. They each received \$10.

Mr. and Mrs. Marqus Hooks, Mr. and Mrs. Clint Gardner, and Mr. and Mrs. J. Saunders of the Warburg Legion Auxiliary attended the Drayton Valley barbeque and reported a very enjoyable evening.

Mr. and Mrs. Otto Kwast of Genesee held a family reunion at Genesee in honor of Mrs. Kwast Sr. from Germany who was visiting with her son and other relatives. She will be returning home in August. Those attending were Mr. and Mrs. Victor Saunders, and Mr. and Mrs. Jim Saunders of Carnwood, Mr. and Mrs. Joe Saunders and family of Edmonton and Mr. and Mrs. Deil Burr and girls of Edmonton.

The community sends best wishes to the newly weds who were married on June 27th, Mr. and Mrs. Tommy Bijou (nee Marie Paulin) and Mr. and Mrs. Dale Hieghington, (nee Joan Platz).

Visiting at the home of Mr. and Mrs. Don Heslop recently were Mr. and Mrs. Sadler of the U.S.A., Mr. and Mrs. Ben Heslop of Vegreville and Mr. and Mrs. York Forrington of Calgary.

Congratulations from the community and best wishes to Mr. and Mrs. George Martin of Berrymoor on their Golden Wedding Anniversary on July 4th.

Mr. and Mrs. Clayton Bowen and Mrs. Norma Bowen were city visitors on Tuesday. They paid a visit to Freddie Bowen who is still a patient in the University Hospital. We understand he is improving favourably.

Announce 1970 Open Seasons

The 1970 hunting seasons for Alberta have been announced by the Alberta Minister of Lands and Forests, the Hon. Dr. J. Donovan Ross.

Upland game bird seasons and daily bag limits remain virtually unchanged from 1969. A pheasant and Hungarian partridge season has been declared in anticipation of low mercury contamination levels this fall. Testing of birds collected this spring, summer and early fall will be made prior to the season declared for October 9th.

Deer, elk, moose and caribou seasons will have their earliest opening on September 8 in the mountain regions and Big Game Zone 1. Foothills and prairie seasons will open later.

Although an antelope season is unlikely, the decision will be deferred until the annual aerial census on this species has been completed. There will be no mountain goat season, anywhere in the province this year, Dr. Ross said.

There will be no grizzly bear hunting this fall. It is expected that in the future grizzly bears will be hunted only during the spring season. Grizzly bears south of the Bow River will be protected throughout the year.

Bighorn sheep seasons open August 29 throughout the mountain regions and non-trophy

sheep permits will again be available on a quota basis.

Mule deer seasons have been reduced in several regions. Female mule deer seasons have been closed in all of the prairies and parklands regions while the trophy-only mule deer season has been expanded to include more of the southern prairie area.

A M-E-D Licence (Moose, Elk and Deer) will be available this year to resident hunters for a fee of ten dollars. This licence will include one antlered game tag which may be used on either an elk, or a moose, or a deer. The holder of a M-E-D Licence may not purchase any other elk, moose or deer licence for the 1970 game season.

A Sportsman's Package will be offered to Alberta residents for the first time this year. This Sportsman's Package will include the following: Angling Licence, Wildlife Certificate, Bird Game Licence, M-E-D Licence and a Sportsman's Badge. Only the complete package will be issued and all applications for the Sportsman's Package must be made to the Fish and Wildlife Division, Department of Lands and Forests, Natural Resources Building, Edmonton, stating name, address, age, height, weight and must be accompanied by a certified cheque or money order in the amount of \$20.

JULY FOOD OUTLOOK

OTTAWA -- Beef prices are expected to move higher during July because of stronger demands says the Canada Department of Agriculture in its monthly food outlook. Although the demand for pork weakens during the hot weather, prices usually move higher because of the traditional shrinkage in summer supplies. With pork supplies steadily increasing and prices already quite high, a smaller summer increase in prices can be expected this year.

Eggs will be in plentiful supply at relatively low prices.

Chickens will be in plentiful supply with some easing of prices. Broiler turkeys and turkey hens will be in plentiful supply with prices trending lower. Supplies of heavy turkey toms are expected to be adequate at firm prices.

Couple Wed At United Church

On June 20th, 1970 at 3:00 p.m. the Drayton Valley United Church was the scene of a lovely wedding when Miss Lorraine Hazzard, eldest daughter of Mr. and Mrs. Frank Hazzard of Drayton Valley, Alberta, became the bride of Mr. Brian Clifford Forester, formerly of Thunder Bay, Ontario.

Rev. Martin officiated the single ring ceremony before an altar beautifully decorated with large baskets of salmon pink gladioli, big feathery white mums, and tiny pom-pom mums.

The bride, given in marriage by her father, looked radiant in an empire-waisted gown of nylon organza over taffeta. The dress featured a yoke of French lace, tiny stand-up collar, long sleeves, wide cuffs, and a long built-in train accented by a bow on the waistline. Her long veil was held in place by a headpiece which featured a bow and artificial stephanotis. Tiny flowers on streamers fell from the bow and were entwined through her hair which was done in ringlets. Her only jewellery was her pearl and rhinestone earrings, a gift from the groom. She carried a beautiful bouquet of salmon pink tea roses and ivy.

Maid of honour was Miss Eileen Hazzard, sister of the bride, from Drayton Valley. Bridesmaids were Miss Claudette Coutin, friend of the bride, and Miss Carolyn Dusza, cousin of the bride, both from Edmonton. Flower girl was three year old Miss Terry Anderson, cousin of the bride, from Westlock, Alberta. They wore identical empire-waisted gowns of salmon pink nylon organza, featuring the same type of yoke as the bride's gown, short puffy sleeves and tiny stand-up collar. Their matching headpieces and hairdos were also the same as the bride's. They carried bouquets of white miniature carnations entwined with salmon pink ribbon. The little flower girl wore a gown of white nylon over salmon pink taffeta which featured a long sash tied at the back. She carried a tiny basket of miniature white carnations.

The best man was Mr. Ellis Forester, brother of the groom, from Thunder Bay, Ontario. Groomsmen were Mr. Curtis Clark, from Fort St. John, B.C., and Mr. Howard Ashton from Drayton Valley, Alberta, friends of the groom. The ringbearer was four year old Master Nicky Dusza, cousin of the bride, from Westlock, Alberta. They wore black tuxedos. Ushers were Mr. Bruce Wakeford and Mr. George Wakeford of Edmonton, Alberta.

As the bridal party left the church, the flower girl presented the bride with a silver horseshoe on a pink satin ribbon. Engraved on it was U2R1. This is an old Scottish custom of good luck. It had been sent from Scotland

especially for the occasion by an old friend of the groom's, Mrs. Annie Burns, of Thunder Bay, Ontario.

A reception for approximately 135 people was held at 6:00 p.m. in the Elks Hall. The guests were received by the bride's parents, the groom's mother, Mrs. Louvain Keetley of Thunder Bay, and the bridal party.

For her daughter's wedding, the bride's mother wore a two-piece ensemble of pale pink lace over taffeta with a pink hat, white accessories and a corsage of white sweetheart roses. The groom's mother wore a one piece coral shift dress of rayon linen which featured a white panel at the front, a white netted hat, white accessories and a corsage of white sweetheart roses.

Miss Linda McMorris, a friend of the bride, was in charge of the guest book. Master of ceremonies was Mr. William Lewko, uncle of the bride, from Westlock, Alberta. Mr. Walter Dusza, uncle of the bride, also of Westlock, proposed the toast to the bride.

Out of town guests were from Thunder Bay, Ontario; Fort St. John, B.C.; North Surrey, B.C.; Fort McMurray, Westlock, Edmonton, Calgary and Bow Island, Alberta.

For her going-away outfit, the bride chose a light wool flannel two-piece ensemble. The white sheath dress was topped by a bronze, red and orange plain coat, with black patent accessories and a corsage of bronze mums.

The newly weds will make their home in Edmonton at present, where the groom is employed as a dental technician and the bride is employed by an insurance company.
